TIMES-VIRGINIAN

Vote next Tuesday.

It looks like Appomattox for Swanson and Buckingham for Davis at the Democratic primary next Tuesday. Don't forget to vote.

Buckingham

It is getting to be a noticeable fact that negro men are paying their debts more promptly than white men are doing. I collected a claim from a colored man in W. Va. and another against a man in New York, while the best I could do with valid claims against white men was to take their notes.

Jim Spencer and Joe Spencer brothers living in Maysville district, each have twin children.

John G. Glover and P. P. Glover saved the hay crop on their sister's land the past week.

I hear that John Eldridge Jr. expects to attend William and Mary college the coming session

Willie Stinson has been hauling lumber to build a new school house near Johnson's store.

Mr. Crouch has been running his truck to Richmond, his price for taking a veal calf to market is $2.

The cattle market is opening up some, but only to local buyers.

Mrs. Perkins Ellis has been staying some at one of her farms near here. Mr. Hubard tells me he has rented the other farm owned by Mrs. Ellis for the coming year.

The Board of Supervisors and the County School Board are both to meet in annual session here to-day (Monday)

Luke Brown charged with killing Sam Brown or Brown Saunders (he is called by both names) is out of jail on bail bond.

Charlie Crews who was operated on for appendicitis continues to improve.

Mr. and Mrs. P. P. Glover motored to arvonia last week where Mrs. Glover went to consult Dr. Perkins Glover about her sore foot.

I see so much of good management in some people and so much want of thrift and good management in others as makes me wonder some people can manage to live. One man will have all his crops well worked and the other will be carrying crab-grass out at the end of his tobacco rows, one man will ride for a day trying to borrow money and the other will lend it, taking only a few months to bind up his neighbor to pay him a ruinous rate of interest One man is trying to get enough money to buy a second hand Ford and the other is clearing up the ditch banks and fence corners and has his savings put into non taxable securities. "The rich and the poor meet together the Lord is the maker of them all".

The girls at Farmville have been busy writing to school officers anent positions to teach. I would like to call attention of teachers in Maysville District to the fact that I am not now clerk of the district board, but I am as yet clerk of the county school board.

We are having nice fresh cantaloupes and tomatoes daily.

The members of Mulberry Grove church are famous for serving delightful dinners and those who get there on the 5th Sunday are likely to enjoy the dinner and I hope also to enjoy the preaching.

Mrs. C. C. Johnson, who has been staying with her daughter in Richmond, has come home and we hope is much improved in health.

Little Sam Glover visited at the home of his uncle, P. P. Glover last week.

I hope Lewis Williams and his partner may get a liberal share of the wheat that is to be ground here. Lewis is a good man and as straight as a shingle.

A prominent citizen of Maysville district died some months ago and no report of his death has reached my hands through any channel

Fourteen young men and women who graduated at Buckingham high school will be missed the coming session by their chums and teachers.

Mr. John B. Horseley died at his home "Yellow Gravel" this morning at 6 o'clock. He had been in failing health for some months. Mr. Horseley was tax collector in James River district and had recently been appointed as a school trustee and he was also a Justice of Peace.

Tobacco men have you signed your cards and sent them in? If not, why not?

Dr. C. F James, of Appomattox, visited our community last week.

Miss Molly Drinkard and some of her pupils put on a very interesting play at the Vera High school Saturday night. Under the direction of Miss Della Inge ice cream was sold. Both the play and the cream were enjoyed by those present. $24 90 was cleared which was given to the boys and girls agricultural club and will be used in sending two delegates to the club short course at Blacksburg next week. The club wishes to take this means of thanking the Misses Drinkard and Inge and every other person who contributed to the success of the occassion The Vera Agricultural club met Monday at 2:30 p m and elected Geo. Abbitt and Richard Jenkins as delegates to attend the short course next week and Clarence Smith was elected as an alternate. After the regular business was transacted interesting and instructive talks were made by club leader, Miss Molly Drinkard and county agent, W. H. Byrne.

Short Course at Blacksburg July 31st to August 5th

County Agent Byrne, will leave here next Monday at 7 a. m., leading four cars en route to the short course at Blacksburg. They will reach Blacksburg early in the evening remaining there until Saturday a. m. August 5th when they will leave for home reaching here about night.

Wildwood

A delightful party was given at the home of W. H Simmons Saturday night. Music, games and refreshments were enjoyed very much.

Mrs. E D Glover has returned from Lynchburg where she has been visiting her daughter Mrs. Jesse Staples.

Buckingham news was very interesting to old people, but didn't appeal to the young ones a bit. Can't blame the followers of the fashion, but the starter, so give them the knock.

Forest View

Protracted services began at Reedy Spring last Sunday and will begin at Central church the first Sunday in August. There was a lawn party at last named church Saturday p. m. and a nice little sum was realized which will go for some improvement to church before revival.

Miss Bessie Martin, who underwent an operation for appendicitis in Lynchburg hospital last Wednesday was reported getting along o. k. Saturday when her parents, Mr. and Mrs. R. W Martin returned home from there

Mrs. Hunter Wooldridge after spending a few weeks with relatives in the county returned to her home in Lynchburg Saturday accompanied by her niece, Miss Maggie Nash, of High View, who will spend a few weeks.

Miss Mattie Ferguson is visiting relatives in Lynchburg.

Miss Lucia Nash spent a few days with Mrs Annie Martin Odor last week.

Miss Bernice Ford has returned from Lynchburg where she has been visiting her sister, Mrs. Laughlin the past few months.

Mrs. N. D. Marshall is visiting her daughter, Mrs W. W. Overton at Brookneal

Misses Minnie and Lela Tanner have returned home after spending two weeks with their aunts, Mesdames. May Jones and Elie Elliott, near Phenix.

Mr. and Mrs. Edd Moses are smiling "It's a boy".

Mr. and Mrs. Scott Elliott visited her father, Mr. Bill Tanner, Sunday.

I understand the petition which was being taken around a few days ago to take four or five rural schools and consolidate them into one high school wrs a failure I didn't much approve of it myself as it would leave some families so far from a school.

Appomattox People

On July 4th Misses Verta and Mildred Sims entertained quite a number of their little friends at their home with a picnic dinner. After dinner the little ones played games and seemed to have a jolly good time.

Gordon Layne and Marshall Hunter went fishing on the 4th.

Mr. and Mrs. R. M. Martin and family visited at the home of Mr. B. C. Simms on July 4

We was sorry to learn of the illness of Mr. John Evans and bope for him a speedy recovery.

Wake up writers and let us hear from you real often.

Hon. Westmoreland Davis,
Richmond, Virginia.
My Dear Friend:

I was delighted to receive your announcement of your candidacy for the U S Senatorship.

Needless to say that you will have my hearty support both on account of our warm personal friendship and because I believe you have proven your eminent fitness for that high position.

The Senate is the hope of a nation, but in recent years it has given the people many bitter disappointments.

I rely upon your election as a movement in the right direction

Very sincerely,

Moon Opens Philippine Plants.

The light of the moon when it beams down strongly in the Philippines will cause the leaflets of various legumes to open and spread out nearly as much as they do during the day sunshine, F. G. Thorough Soil Preparation Is Easy the Fordson Way

BECAUSE the Fordson has plenty of power and is fast running, Fordson farms are known as the best tilled farms in the community. Good plowing can be followed promptly by good discing because the man who drives a Fordson is soon through with one job and ready for the other. This thorough tillage, of course, results in bigger crop yields.

Because of its scientific design and easy handling qualities, the RODERICK LEAN AUTOMATIC ENGINE DISC HARROW, specially designed for the Fordson, inspires its owners to pulverize thoroughly both before and after plowing.

THE RODERICK LEAN AUTOMATIC is as necessary to economical tractor farming as the special tractor plow. Operated from the tractor seat, it provides easy, thorough soil preparation with the Fordson. Strong for power requirements, flexible for short turning, and adjustable to meet all soil conditions. This is the proper disc for Fordson tractors—the one disc harrow preferred by Fordson owners,

Her Money Was Gone!

An old woman who lived alone had kept nearly $2,000 00 in currency around her house for years. She was afraid of banks.

Last fall she became seriously ill, and——

No, she didn't die. But when she went to look for the cash it was gone! Fortunately some honest friends had found it while she was unconscious and had deposited it to her credit in a bank.

This woman has now decided that after all the bank is the safest place, and, besides, her money is not idle any longer. It is now earning 4 per cent for its owner.

Let us put your money to work for you.

THE GREATEST FARMER IN THE WORLD

One-fourth of the wheat we grow is the result of the researches of the Government. After years of untiring experiment and investigation, the Government, through the Department of Agriculture, was enabled to introduce into this country the remarkable Durum wheat through which our production has been increased fully twenty-five per cent. This has been only one of many surprising but little-known accomplishments of the Government, which are covered in the interesting series of stories for which we have the exclusive right of distribution in this community.

We'll send this literature to you each month without obligation on your part if you will ask for it.
